Case No. C 07 05067 SBA

STIPULATION AND [PROPOSED] ORDER
MODIFYING CERTAIN PRETRIAL DATES

19 Plaintiffs United States of America, the People of the State of California *ex rel.* California
20 Air Resources Board, and the North Coast Unified Air Quality Management District (collectively
21 "Plaintiffs"), and Defendant Evergreen Pulp, Inc. ("Evergreen"), hereby agree and stipulate as
22 follows:

23 1. On October 2, 2007, Plaintiffs filed a Complaint against Evergreen pursuant to
24 Section 113 of the Clean Air Act, 42 U.S.C. § 7413, California Health & Safety Code § 42403,
25 and North Coast Unified Air Quality Management District Rule 105. On the same date, Plaintiffs
26 lodged a Consent Decree that, if approved and entered as the judgment of the Court in this case,
27 would resolve the claims alleged in the Complaint.
28

2. On October 2, 2007, the Court issued an Order Setting Initial Case Management Conference and ADR Deadlines ("Scheduling Order"), establishing the following deadlines:

- December 20, 2007: Last day to meet and confer regarding initial disclosures, early settlement, ADR process selection, discovery plan, file a Joint ADR Certification with Stipulation to ADR Process or Notice of Need for ADR Phone Conference.
- January 3, 2008: Last day to file Rule 26(f) Report, complete initial disclosures or state objections in Rule 26(f) Report, and file Case Management Statement per attached Standing Order regarding Contents of Joint Case Management Statement.
- January 10, 2008 at 3:00 p.m.: Initial Case Management Conference.

The Order Setting Initial Case Management Conference and ADR Deadlines provides that "[i]f the Initial Case Management Conference is continued, the other deadlines are continued accordingly."

3. On October 12, 2007, notice of the lodging of the Consent Decree and the opening of a 30-day public comment period was published in the *Federal Register*, 72 Fed. Reg. 58125 (October 12, 2007).

4. On October 17, 2007, in light of the lodging of a Consent Decree that, if approved, would resolve all of the claims asserted in this action and obviate the need for continued litigation, the Parties filed a Stipulation and [Proposed] Order Extending Certain Pretrial Dates, including the dates set forth in the Scheduling Order. The Court did not approve this proposed order.

5. On October 26, 2007, the Court issued a Clerk's Notice rescheduling the Case Management Conference to 4:00 p.m. on January 10, 2008. The Clerk's Notice requires the Parties to "file a Joint Case Management Conference Statement 10 days in advance of the Case Management Conference that complies with the Standing Order For All Judges Of The Northern District Of California and the Standing Order of this Court." In accordance with the Clerk's Notice, the Joint Case Management Conference Statement is due no later than December 31, 2007.

6. On December 13, 2007, after evaluating and responding to the comments received during the comment period, Plaintiffs filed a Request to Enter Consent Decree and Memorandum in Support of Request to Enter Consent Decree.

7. In light of the filing of the Request to Enter the Consent Decree, which Request, if approved, would result in the entry of final judgment resolving all of the claims asserted in this action, and in order to avoid incurring unnecessary expense in this action while the Court considers that Request, the Parties stipulate to, and request that the Court adopt, an order that provides as follows:

(a) The deadlines described in paragraph 2, above, should be vacated.

(b) The Case Management Conference, scheduled for January 10, 2008, should be continued to a future date to be established only in the event that the Court denies the Request to Enter Consent Decree.

(c) At such continued Case Management Conference, if it occurs, new deadlines for the requirements described in paragraph 2 should be set.

(d) Evergreen's response to the Complaint shall be filed no later than thirty (30) days after filing and service of an order denying the Request to Enter Consent Decree.

8. Except as set forth above, there have been no other modifications to or extensions of dates set forth in any order of this Court.

SO STIPULATED.
